Here we go again!!

As chairman of the "Dorset District Association". I would like to take this opportunity to welcome you all along to this our 20th Country and Western weekend.

This event has gone from strength to strength over the twenty years that it has been running, from the first held at Wareham Forrest Touring Park to our early beginnings at Sixpenny Handley in a pair of Nissan Huts, to the 6000 sq. ft Marquee being used this year to accommodate the ever-increasing numbers that attends each year.

My first attendance was in 1992 at the 8th Country and Western. Having been to every event since and indeed look forward to it each year.

During this time I have made many new friends who come along and support us year after year along with those that have joined us for the first time. I look forward to meeting you all again and a special Dorset welcome to those of you that are attending for the first time on this our 20th Anniversary.

I would also like to thank Anne Colman on behalf of the "Dorset District Association" for her time taken to compile this biography of the Country and Western.

Michael Cooper.

Chairman Dorset District Association

And Finally

Thanks must be given to EVERYONE
from the 1st to the 20th Dorset DA Country and Western Meet

But with you ALL it is GREAT.

Give yourselves a pat on the back and prepare for the next ? years.
